First CEN/CENELEC STAIR-AHA Platform meeting

A new approach to AHA standards engaging end-users

9:30 Registration and welcome coffee

10:00 Welcome and round of presentations

10:10 The STAIR-AHA platform and the PROGRESSIVE project

10:20 Stakeholder engagement in Active and Healthy Ageing (AHA) standardisation projects. Older people's needs and expectations

10:35 News about the standardisation and R&I projects in progress

Attendees will have the opportunity of briefly presenting their standardisation and/or R&I projects related to AHA, and how the needs and expectations of older people are considered (one single slide per participant, 3-4 minutes max.)

11:00 Coffee break

¹ Places at the meeting are limited. The organisers plan a balance among the types of organisations present. **Registration will only be confirmed by an e-mail from the PROGRESSIVE project.**

11:30 Breakout session

Low level of participation of older people in the development of standards for Active and Healthy Ageing. Causes, consequences and possible ways forward

Attendees will work together in small groups to brainstorm and discuss this topic using a problem tree analysis

12:45 Reporting on the breakout session

13:00 Networking lunch

14:00 Tools to promote the engagement of older people in AHA standardisation and R&I projects

14:45 Tools to strengthen AHA initiatives on horizontal issues

15:00 Coffee break

15:15 Ways forward

Improving the engagement of older people in standardisation, and the coordination and synergies between the different relevant standardisation and R&I initiatives

Attendees will be asked to help shape the next challenges of the STAIR-AHA, and will build the basis of a future STAIR-AHA statement on the main findings of the meeting.

16:00 End of the meeting
